UP TO GRAND JURY

Is the Tobacco War Now on Near Germantown. Peace at Present Relays

The situation in the tobacco storm belt near Germantown has clarified since yesterday morning and for the nonce, at least, the dove of peace spreads its white wings and the war cloud has dissolved itself into nothingness; hence conditions are restored to a more or less normal state.

The agitation and assembling of men was caused by two of Miss Eliza Owens's tenants—the White brothers, who are half owners in the crop—attempting to deliver tobacco to the American Tobacco Company in this city, to which concern they had virtually contracted and sold.

The Whites not being members of the Society of Equity, in disposing of their crop were impressed with the idea that they were simply setting within their own rights and not to the detriment of any one.

It is said they were informed in no unmistakable language that if they persisted in

haling the loaded wagon away that the tobacco would be destroyed, but that if the tobacco was returned to the barn and hung up all would be well and no harm come to it.

Discretion being the better part of valor, especially in this instance, it was taken back and rehaling in the barn.

In the meantime the father of the two young men came to Maysville to seek legal redress.

After interviewing the authorities he was directed to lay his complaint before the Grand Jury, now in session, which he did, and that all powerful body has the matter under consideration.

What the outcome will be remains to be seen, but let us hope right will right itself and everything will be all right in the end.

OWING to the uncertainty of the financial situation the city of New York will hold up contracts for \$126,000,000 worth of public improvements.

WALKING is the latest fad everywhere, but President ROOSEVELT continues to stir up the old Colonels and Majors in the War Department and is compelling them to do active and strenuous cavalry practice. Hundreds of these old warriors occupy luxurious positions in cozy and beautiful quarters, and the order requiring them to ride is like waking them from pleasant dreams. Every Government official must earn his salary or the boss Teddy Bear of them all will know the reason why.

THE coming of JOE BLACKBURN to Kentucky from Panama portends no good to Governor BECKHAM. It is thought that the ex-Senator comes for the purpose of aiding in BECKHAM's defeat for the Senate. One good turn deserves another. The Governor compassed the undoing of Messrs. BLACKBURN and McCREARY, and now the cry has gone forth for a general gathering of the Blackburn and McCreary forces to join with the Republicans and use every weapon in the deadly war of politics to prevent BECKHAM's election to the United States Senate. It is also very much in evidence that Mr. HAGER, Mr. HAYS and the other prominent members of the Democratic Down-and-Out Club are not wasting any enthusiasm in behalf of the Democratic nominee for Senator. A card from Mr. HAGER, calling upon the Democrats to support Mr. BECKHAM, would, no doubt, have a very helpful effect in his favor. When the bell taps on Monday, January 5th, one of the prettiest fights ever witnessed in old Kentucky will open at Frankfort.

HER VIEW

Chicago News.

A laborer in Eastern Indiana died recently and the members of the fraternal order in which he held membership called upon his widow to find how they might be of most assistance in her distress. They made all arrangements for the order's attending the funeral, but before settling upon the final details for the obsequies they desired to know if the deceased had any special church affiliation.

"Did your husband belong to any church?" was asked.

"Why, no," said the woman, in astonishment; "he never done nothin' to belong to church fur."

GOVERNOR WILLSON

Takes the Oath of Office at Frankfort Yesterday in the Presence of a Vast Throng

Lieutenant-Governor Cox Also Sworn In—Ringing Words For Good Government From New Executive

Although the weather was the first and only real bad day experienced this winter, yesterday at Frankfort was remarkable for the vast crowd attending the inauguration of Governor Willson and Lieutenant-Governor Cox.

One hundred and thirty cars, loaded with human freight, completely blocked the little capitol city and rendered getting in and out a very doubtful proposition.

The big delegation leaving Maysville yesterday morning at 6:35 o'clock, failed to pull into Frankfort until 12 minutes before 12 o'clock, only a few minutes before Governor Willson took the oath of office; and the Millersburg Cadets aboard never participated in the parade at all.

With National colors and signs of welcome streaming from residences and public buildings and flags flying and bands playing, one of the largest crowds ever witnessed in Frankfort filled the streets. So dense was the crowd that the Chief Marshal and his assistant Marshals had difficulty in forming the line of the procession which formed on Broadway at 10:30.

The procession moved with the platoon of police followed by Chief Marshal and assistant Marshals, mounted. The Kentucky Military Institute Cadets and the Second Regiment Band were escorts to Governor Beckham and Governor-elect Willson.

The order of exercises was—
Prayer—Rev. William Crowe.
Music—Second Regiment Band.

Presentation to Governor Beckham by Mayor E. E. Hume, a testimonial of the esteem of the citizens of Frankfort and mark of appreciation for his many kindnesses.

Music.
Valedictory address—Governor Beckham.
Inaugural address—Governor Willson.
Administered oath—Chief Justice O'Rear.
Benediction—Rev. T. S. Major.

The vast throngs which lined either side of the street along the line of march loudly cheered the new Governor, who smiled and bowed.

NOTES.

The picture presented in front of the old State House when Governor Willson and Lieutenant-Governor Cox were sworn in was one long to be remembered. Perched on the fountain directly in front of the building was a famous photographer who snapped both Maysville men "right in the act" of taking the constitutional oath. Groups of strangers were viewing the spot where Goebel fell, the windows in the Executive building and the famous hackberry tree where the bullet lodged.

Major Means, Attorney W. D. Cochran, Allan D. Cole, Clarence Matthews and others remained over to attend the inaugural ball last night.

Mr. C. L. Rosenham was an interested spectator and he and Colonel Ficklin were simply delighted with Lexington's truly splendid and beautiful union station.

Frankfort's new L. and N. Station is also a very commodious structure and is indeed a handsome and modern improvement over the old dark shack which it replaced.

Frankfort is improving very rapidly and "if" that city was out in the Bluegrass it would do very well. But its situation, while picturesque, is simply lamentable.

The new Capitol Building is quite an imposing structure and a lot too fine for such an out of the way location. It will not be completed before next fall.

This is the next morning after the night before and Old Kentucky will hardly acceptom herself to the new order of things for a few days at least.

The new Governor's address was well received by both Democrats and Republicans. He declared he was not the Republican Governor, but the Governor of and for all the people. Law and Order, he declared, must be the first and basic principles of good government.

Colonel Robert Ficklin took in the big event and returned home lamenting the day that Kentucky chose Frankfort for her seat of Government. To many on route from the inauguration Mr. Ficklin didn't mince words in his denunciation of the out of the way mountain city, called Frankfort. The idea of spending \$1,500,000 for the permanent seat of Kentucky's capital at such an inaccessible place, and such a rock-bound little hole in the ground is more than any one can understand.

Editor Joe E. Cross of the West Union, Ohio; Defender, accompanied by his friend Mr. Schuster, were interested viewers of the Capital city stunt, returning to West Union this morning after spending the night here.

The Ledger would like to publish a snapshot picture of a distinguished colored delegation from Maysville, which our reporter saw lined up in front of the old State House. They were Hon. Amos Clements, Colonel James Griffey and Major Samuel Munday. All were enjoying the Republican event and looked like they would enjoy a good sized piece of official pie. It is said that coming home they got off at Carlisle thinking it was Maysville.

If you have an item of news, please call up The Ledger, Telephone 22, and let us have it.

Another Way—

Oysters are taken from the shells, dumped into a wooden tub, soggy from long use. Chunks of ice, clean or otherwise, are added from time to time. The cover is usually on—not always. CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. E. Bridges, of 206 West Third street, Maysville, Ky., says:

In March, 1900, I gave a testimonial recommending Doan's Kidney Pills. I had been troubled with a lame back and weak kidneys from girlhood and in my efforts to find a cure tried many different remedies, but without benefit until I began using Doan's Kidney Pills, which I procured at J. Jas Wood & Son's Drugstore. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co. Buffalo, N. Y., sole agents for the United States.

GOLDEN AND YOUTSEY

Star Witnesses in the Goebel Murder Trial—Wholesale Perjury Manifest

"When I die I want to meet my God with a clear conscience. I know I have been wrong and that is why I have voluntarily given testimony in these conspiracy cases," dramatically declared Wharton Golden when he was on the verge of breaking down on the witness stand in the trial of Caleb Powers yesterday for the murder of Senator William Goebel.

The testimony of the star witness for the prosecution was completely shattered by those of the legal talent for the defense. Numerous times it was shown his testimony at this trial did not agree with the recital at the former trials. On the verge of collapse under the rigid cross-fire he pleaded ill health and lack of memory.

The defense sought to show that his testimony was purchased and that he received \$5,000 to swear against Powers. Golden bitterly denied this, but conversations he had at various times with a number of other persons were introduced to show that he had admitted this to relatives and others.

Henry E. Youtsey was on the stand yesterday and told a long-winded story of his alleged plotting with Powers and others. Youtsey was neatly dressed in a suit of prison gray and appeared to talk reluctantly of the killing of Goebel, but detailed a long statement implicating

Taylor, Finley and Powers in the murder. The evidence against Powers comes from confessions and known perjurers, and the case is again nearly ready for the jury.

It already costs \$2 for a steamer to land at the wharf at Louisville, and now there's talk of raising the fee.

The Queen City, just off the Marine Ways at Cincinnati, where she has been thoroughly overhauled, is preparing to re-enter the Pittsburgh trade this week.

During the month of November the total amount of coal shipped from Pittsburgh to other Southern ports was 350,000 tons. The demand for coal in the South is still very heavy.

Two steel hull boats under construction by James Rees Sons & Co. of Pittsburgh are attracting considerable attention from rivermen. One, a dredgeboat, intended for use on the Magdalena river, in the United States of Columbia, is nearing completion. It will be shipped in parts and put together after its arrival at the point of destination.

Among the expenditures of the Federal Government for the next fiscal year, estimated by Secretary Cortelyou are: Rivers and Harbors—Ohio river locks and dams Nos. 8, 11, 13, 18, 26 and 37, \$1,185,000; Kentucky river, \$510,000; Monongahela river, \$400,000; Big Sandy river, \$135,000. There is a sufficient balance on hand for other projects in the Ohio Valley States to carry the work along through the next fiscal year without additional appropriation.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remediation. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless it is out of the ear, as by Catarrh, which is nothing but an inflammation of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.

MAYSVILLE, KY.

Correspondence SPRINGDALE.

Mr. W. H. Tolly visited relatives here Wednesday.

The family of Mr. Harvey Bowen, just below town, are ill with measles.

Mrs. McDonald and Miss Goodwin were shopping in Mayville Saturday.

Mrs. Sara Smith is visiting her niece, Mrs. H. P. Day, near Orangeburg.

The short ad in THE LEDGER regarding pigs for sale has brought numerous buyers.

Mr. Scott Fletcher shipped a large bunch of cattle to Cincinnati market a few days ago.

Mrs. Frank Goodwin of Rectorville visited her son, Mr. J. T. Goodwin, Friday and Saturday.

Mr. Louis Hotze has sold his house and lot on Main street to Mr. Frank Owens and his farm below town known as "Peach Orchard" to Mr. George Soyter.

Mrs. Ruth Henderson and two children are staying with her mother, Mrs. Cruey, while Mr. Henderson is erecting a new house on the site of the one burned two weeks.

Miss Coryell of Plumville was here Friday looking after the re-subscription for The Ladies Home Journal, for which excellent magazine she has taken the agency.

The children of Mrs. O. Groves are ill with diphtheria. Mr. and Mrs. Groves moved the first of November into the house vacated by Mr. Jacob Trumbo. Three of Mr. Trumbo's children died there during the epidemic of the disease here, a year ago.

"Life and death go hand in hand." The truth of this was brought forcibly to the mind of one of our lady citizens recently. She is one of three sisters. One day's mail brought her a message from each sister; one inviting her to a wedding, the other to a funeral.

Large numbers of rabbits are shipped from here to Cincinnati each morning. There are no quail to be found in this vicinity any more, where there used to be flocks by the score at this time of year; but thanks—or otherwise to the mighty nimrods, they exist now only in memory.

Mr. and Mrs. J. W. Tolly entertained a number of relatives and friends at their fine old colonial home in Lewis county Friday in honor of their son, Mr. Floyd P. Tolly, and his bride. The rooms were handsomely decorated and an

elegant four course dinner was served. Mr. and Mrs. Tolly were assisted in entertaining their guests by their charming daughter, Miss Louise Tolly. Mr. and Mrs. F. P. Tolly will be at home to their friends in Manchester, O., after December 10th.

Handsomely engraved cards from Mr. and Mrs. Allen J. Parker of Terre Haute, Ind., announce the marriage of their daughter, Minnette Dell, to Mr. Frank Clark McCarran on Tuesday, November 19th, 1907. Mr. and Mrs. McCarran are at home since December 1st at 216 South Harvey Avenue, Oak Park, Illinois. Mr. McCarran is a son of Mr. and Mrs. John McCarran of Cottageville, who belong to Lewis county's long list of substantial citizens. Frank, as he was familiarly called, was one of the bright, promising boys of this neighborhood. He was a young man of high moral character and fine business ability and when he left a few years ago to seek his fortune in other fields, his departure was regretted by every one. That the young lady he has won for a bride may be gifted with all traits that go to make up true and lovely womanhood and that their life together be a happy one is the sincere wish of his host of friends in his old home neighborhood.

Ruth, the little daughter of Mr. and Mrs. Boyd K. Muse, is ill with diphtheria.

C. M. Barnett of Hartford has been appointed Auditor Frank James as State Fire Marshal to succeed Mott Ayers.

Mr. Tony Puffer and family left yesterday afternoon for Ripley where they will reside permanently. Miss May Diener accompanied them for a short visit.

EDITOR—EVANGELIST

Rev. John Brown Meeting With Success in His Revivals

Two years of experience in the evangelistic field has brought the Rev. John H. Brown, formerly Editor of The Christian Guide of Louisville, which was absorbed by The Christian Standard, at Cincinnati, into wide prominence in the Middle West.

At present he is conducting a fruitful revival at Terre Haute, Ind., where it has been necessary to hold three services a day, so constant has been the stream of confessions.

He has also just completed arrangements to conduct a revival on an impressive scale in New York within the next few weeks.

The Rev. Mr. Brown in October last married to Miss Ida May Tyler of Germantown, and is very well known in Mason county.
